See, Touch, Discover, Learn  
Historical Field Museum

### What is MAHORON?

Based upon its main theme, the "Relationship between humans and nature one can discover from the relics of the past," this exciting historical field museum offers every visitor opportunities to see & touch the finds and treasures of ancient times and to think about & learn the dynamics of man's relations to nature and their surroundings. Follow the footsteps and discover the wisdom of our ancestors by studying some of the historic sites and various artifacts. You will realize how deeply nature links with the unique history & culture of our region. Through its exhibitions, MAHORON invigorates people's interest in cultural properties and promotes pride in their own surroundings and environs.
